- your left- hand side and you will get to a set of traffic lights on the N1.
- Proceed straight across these traffic lights to a second set at which you turn right into Worcester.
- Follow this road, over a railway bridge, all the way down to High Street, where you must turn left into High Street.
- Carry on for about 1km and watch for signs directing you to the right (R60) towards Robertson, Ashton and Montagu.
- Stay on the R60 all the way, and once through Ashton it becomes the R62, which takes you through the Cogman's Kloof to Montagu.
- As you enter Montagu, you are now in Long Street, which you stay on almost to the end of town.
- Turn left into the very last road, being Cross Street.
- At the next stop, turn right into Bath Street, which you follow about 3km out of town.
